Mark Grice Joins as Beanstalk Management Associate

Beanstalk Management, the innovative corporate advisory house specialising in the small and mid-market, welcomes new arrival Mark Grice to its ranks. Mark adds his unique expertise to the consumer segment for Beanstalk Management. Mark's focus since joining the Beanstalk team is expansion of the company in the North West.

"Mark joins the Beanstalk team as an associate", commented Richard Baker, Director. "As a chartered accountant, Mark has exactly the right pedigree, combined with the real work experience of working in dozens of different countries within large multi-nationals, and running his own businesses. Mark is already making an impact for our business in the North West."

Mark Grice knows the ups and the downs of business ownership and appreciates the concerns of those seeking to buy or sell a business. Mark has a strong work ethic and diverse experience with global companies such as Diageo and Disney. While advising and guiding business owners in the pursuit of their goals, Mark's focus is on maximising value in brands, services and people.
